Rare studio stereo cabinet and speaker cabinet by John Kapel

Very rare studio stereo cabinet with bi fold doors by John Kapel. With attention to detail, this cabinet sits on a plinth base with raised edges, the doors have a fin detail with an oval cut out for the handles. The cabinet has it's original Dual turntable and working stylus with a compartment for records. The speaker cabinet has Chinese block prints on either side.

19 1/2"H x 30"W x 18 1/2"D.

\$4,500
